

Cohen Financial Secures More Than \$8.8 Million For Two Multifamily Properties In Salem, Oregon

Portland (December 21, 2016) – Cohen Financial, a national real estate capital services firm recently acquired by SunTrust Bank, a subsidiary of SunTrust Banks, Inc. (NYSE: STI), announced today that it has closed a total of \$8.825 million to refinance two multifamily properties in Salem, Oregon. Peter C. Norrie, Managing Director of Cohen Financial's Portland office, arranged two fixed-rate, 10-year term Fannie Mae loans with 30-year amortizations and 55 percent loan-to-values (LTV) through Pillar's multifamily lending program. Both properties were 100-percent occupied when the loans closed on December 1.

Mr. Norrie secured \$5.175 million for Crestbrook Apartments, a 90,000 square-foot, 108-unit multifamily property built in 1996. The property features garden-style two-bedroom, two-bathroom units. Mr. Norrie also closed a \$3.655 million loan for Oak Park Village Apartments. This 60,000 square-foot property also was built in the mid-1990s with a mix of two-story, garden-style units. Based in Portland, the borrower is a regional multifamily investor with over 4,000 units located throughout Oregon in their portfolio.

“Timing was the key to these transactions,” said Norrie. “We did not want to lock post-election and risk the treasury market’s potential volatility. To do that, the borrower agreed to pay-off the existing loans prior to their maturity and to incur minimal prepay premiums as opposed to waiting until early 2017. This turned out to be a good decision, no question,” he added.
